O R D E R

On August 19, 1993, Beaver-Elkhorn Water District ("Beaver-Elkhorn") filed a motion requesting that the Commission's Order of August 12, 1993 be vacated and that it be granted an extension of time until October 8, 1993 to provide engineering plans, specifications, plats, and reports for the construction proposed in this case. By Order dated September 9, 1993, the Commission granted Beaver-Elkhorn until September 20, 1993 to file the complete plans and specifications for Phase III of its construction project or this case will be dismissed without prejudice and without further Order of the Commission.

KRS 278.300(2) requires applications for authority to issue or assume securities or evidence of indebtedness to be ruled on within 60 days unless it is necessary for good cause to continue the application. Giving Beaver-Elkhorn until September 20, 1993 to file the engineering information will extend the time beyond the 60-day period in which the Commission must rule on the financing application. Therefore, the Commission finds that good cause

exists to continue the financing application beyond the 60-day period specified in KRS 278.300(2).

Upon consideration of the evidence of record and being otherwise sufficiently advised, the Commission HEREBY ORDERS that the portion of Beaver-Elkhorn's application for authorization to incur additional indebtedness is hereby continued beyond the 60-day period specified in KRS 278.300(2).

Done at Frankfort, Kentucky, this 13th day of September, 1993.
